

The Reproductive Science Center of the San Francisco Bay Area in San Ramon, California has an opening for an experienced embryologist (4+ years in a human IVF Lab). RSC is one of the pioneers of IVF, having the 2<sup>nd</sup> successful FET live birth in the United States. We maintain some of the highest success rates in the Bay Area and continue to be on the cutting edge of infertility research and technology.

RSC is located in the heart of the San Francisco East Bay, with award winning schools, excellent restaurants and a relaxed lifestyle. We are 30 minutes to San Francisco, 20 minutes to the Livermore wine country, and easy access to the ocean or mountains. For those with active lifestyles this is the place for you!

The position includes responsibilities for all IVF Lab duties: egg retrieval, embryo assessment, transfer, vitrification and thawing, sperm preparation and cryopreservation, assisted hatching, ICSI, quality control and assessment, and data entry. Experience with trophoctoderm biopsy preferred. If you like to work in a fast paced environment, are a multi-tasker and like to enjoy where you work we want to talk to you.

This is a full-time position and includes weekend and holiday rotations. The preferred candidate must be detail-oriented and have excellent verbal and written communication skills. Applicants MUST have at least a BS degree, be fluent in English, and must be able to work in the United States without any visa sponsorship. Salary will be commensurate with experience. All inquiries will be considered in the strictest confidence.

RSC Bay Area performs ~1200 retrievals and ~1000 frozen transfers per year. We have a fun - loving staff and we consider ourselves a “work family”.

For more information about our center, please visit our website at [www.rscbayarea.com](http://www.rscbayarea.com). RSC Bay Area is an equal opportunity employer. We offer an excellent benefits package, including relocation assistance. Interested candidates please forward your CV to [kristen.ivani@integramed.com](mailto:kristen.ivani@integramed.com).
